

# SECURITY WATER OUTDOOR WATERING RESTRICTIONS

April 1, 2019 to October 1, 2019

## READ THIS AND SAVE FOR FUTURE REFERENCE

We are asking for our customer to follow voluntary watering restrictions from April 1, 2019 to October 1, 2019. While these rules are voluntary, it will be critical that all customer cooperate to ensure we have adequate water to meet our high demand water months.

**From April 1, 2019 through October 1, 2019, we are asking all customer to:**

- ◆ Water no more than three times per week
- ◆ **Please follow this simple watering schedule.** Homes/businesses with addresses ending in **even** numbers may water on Monday, Wednesday and Saturdays. Homes/business with address ending in **odd** numbers may water on Tuesday, Thursday and Sunday. All customers should avoid watering on Fridays.

MON	TUES	WED	THUR	FRI	SAT	SUN
EVEN	ODD	EVEN	ODD	NO WATERING	EVEN	ODD

*Use only the water you need. Conserve water both indoors and outdoors. More than 50 percent of water use goes to water yards.*

The infrastructure and engineering firm AECOM, under the direction of the U.S. Army Corps of Engineers (USACE) and the U.S. Air Force (USAF), and through its subcontractors, has begun construction of a state-of-the-art drinking water mitigation facility. This facility is being constructed in order to mitigate historic groundwater contamination and will allow Security to once again utilize its groundwater resources, including 24 wells that have not been used since 2016. This complex project will involve installing more than five miles of pipeline and construction of a centrally located ion exchange mitigation facility.

Work in the affected area will be implemented in a manner that minimizes disruption and inconvenience within the vicinity of the work area. We thank you for your patience and cooperation during this period of construction.
