

# EYEONWATER CUSTOMER LOGIN INSTRUCTIONS

Security WSD customers can now track their water usage in near real time. EyeOnWater lets you see how much water you're using and can even alert you to possible leaks on your property. Online or mobile app, EyeOnWater protects and secures your account information and water usage data. Follow these steps to create your account and know more about every drop.

## Have these three things ready:

- Your water account number (4 or 5 digits)
- Your service address ZIP code
- A valid email address

To begin, visit: [eyeonwater.com/signup](https://eyeonwater.com/signup)

### Steps to Create an EyeOnWater Account

1. Enter your account number as it appears on your water bill. Don't have a copy of your water bill? Contact your utility.
